

CORE VALUES AND MISSION

Advanced Med Academy is bound by its values and core purpose. These values permeate everything we do through our faculty, staff, and students.

Advanced Med Academy's Core Purpose: *our fundamental reason for being.*

To contribute to society by the creation and dissemination of science and evidence based Integrative and Functional Medicine courses. Our goal is to improve the lives of our patients throughout the world, and change the way health care is delivered today.

In fulfilling our core purpose, we seek to:

- develop leaders and inspire innovators through shared learning and life experiences, personal and intellectual development combined
- promote practitioners/student success and therefore improve the lives of all people
- for practitioners/students: prepare them to practice healthcare with an integrative and functional approach in their own communities, be good and productive citizens and instill value of high standards in all that they do
- for faculty: hold high expectations for quality of scholarship and creative work
- for staff: expect high quality in everything we do
- for alumni: be a lifelong resource and home to our graduates

Advanced Med Academy's Core Values: *essential and enduring tenets—a small set of timeless guiding principles that require no external justification; they have intrinsic value and importance to us inside the Advanced Med Academy.*

- integrity and honesty
- equitable community
- academic freedom
- intellectual curiosity
- collaboration
- commitment to excellence
- leadership
